**Project Reports: Art in Public Places**

**Elks Club Wall Mural:** Artist Patrick Shields will begin work in the Spring.

**Old City Hall Wall Mural:** Sierra College teacher, Gary William Graham will be asked to submit a mural design for AAC's approval. Marilyn offered to write a letter to Bob Richardson for clarification on easements of existing murals, several of which are due for expiration. Marilyn will email Rip Cronk contract to Everett for his review regarding destruction of art works.

**City Hall Gallery:** Current display is art works from the Placer Adult School students. For the April 10<sup>th</sup> Art Walk, works by Lediane Deimitrie will be shown. Another possibility would be a youth show displayed by the Auburn Youth Commission as requested by Mike Holmes. Since the Youth representative contacted Marilyn after Lediane Deimitrie had been scheduled, Marilyn will work with both parties to see if an adjustment can be made.

**Street Sculpture/Blooming Benches:** After meeting with one Auburn Rotary Club president, Mike recommended we solicit several clubs to share the costs of the Blooming Benches after this club year [June]. Marilyn suggested exploring the possibility of using the public art budgeted funds to pay for the benches. Everett stated a financial report on the AAC funds is needed. Mike will speak to the cabinet makers to find if they would be willing to make the benches to be auctioned by November 2008.

**Auburn Placer Performing Arts Center:** The APPAC Board is working on raising funds for the installation of the marquee & sign. Project Auburn will support these efforts. More funds are needed to complete the project.
